

COMMUNITY Bug Hunt

15th March to
12th April 2021

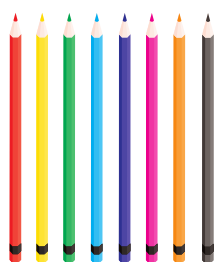

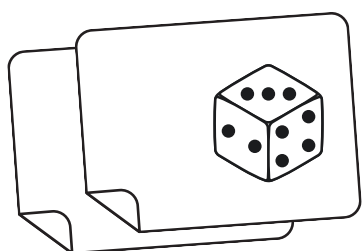

Doncaster
mumbler

Build a Bug Game

You will need:

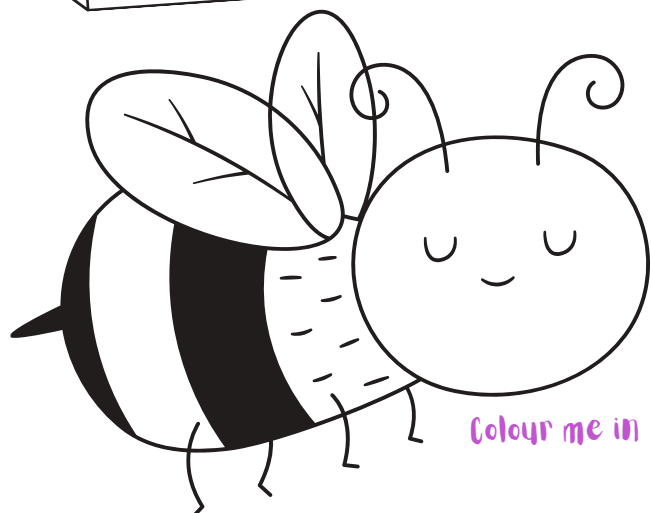

1x Die
Coloured pencils
Plain paper

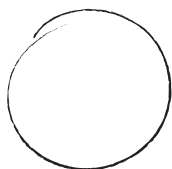

How to play:

1. Give every player a piece of paper.
2. Every player takes it in turn to roll the die, whichever number it lands on draw that item on the game sheet - but remember you will need to draw the head and the body before you can add legs and features!
3. The first player to complete their bee wins!
4. The person who last went puddle jumping goes first!

Why not make your own dice rolling game up and draw some other bugs and creatures?

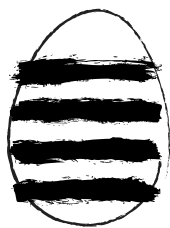

Head

Leg

Body

Antenna

Eyes & Mouth

Wing
