

COMMUNITY Bug Hunt

15th March to
12th April 2021

Doncaster

mumbler

Thank you

for deciding to host a Doncaster Mumbler community bug hunt. We are passionate about providing fun, safe activities for families in Doncaster and you are helping us to achieve that goal! In this host pack you will find everything you need to set up your community Bug Hunt. Here are some top tips for getting set up:

Marketing your trail:

1. Let us know you are hosting a trail, email Doncaster@mumbler.co.uk and we will get your trail listed on our dedicated home page on the Doncaster Mumbler website.
2. Use the Community Bug Hunt poster to advertise where you are setting up your community trail, use community notice boards and facebook groups to do this. Don't forget to use [#BugHuntDN](#) and tag in [@doncastermumbler](#) so we can also share across the Doncaster Mumbler social media channels.

Setting up your trail:

1. In this pack you will find everything you need to be a host.
2. Your trail should be set up by the 15th March and be available till 12th April to allow families to access it throughout the Easter holidays.
3. Once you have printed off your clue sheets laminate them to protect them from the weather.
4. Use a hole punch to make holes in your clue sheets, this will enable you to easily tie your clues to tree trunks, lamp posts etc. to secure them in place with string, ribbon etc.
5. Please take care not to damage any trees or wildlife habitats when setting up your trail. Clue sheets should be easily spotted from public paths to discourage heavy footfall over natural areas.
6. There is no set order for the trail clues so you can display them however you like, just try to keep them within a contained area so young children can easily find them all.
7. If possible, check your trail a couple of times throughout the event to ensure it hasn't been damaged or clue sheets lost.
8. Please remember to tidy up and take your trail down after the 12th of April 2021.

Scan the QR code to download the trail quiz, find trail locations and other Bug Hunt games and activities at doncaster.mumbler.co.uk, or pick up a trail sheet from your local Family Hub.

THE CASE OF THE MISSING CATERPILLAR:

Dennis is a detective bee. He loves to follow clues and solve puzzles to help his friends.

Today Dennis has a particularly tricky case to crack and he needs your help. His best friend, Kevin the caterpillar, has gone missing. He was last seen munching an apple core beside a litter bin.

CAN YOU HELP DENNIS FIND THE 9 HIDDEN CLUES AND SOLVE THE CASE OF THE MISSING CATERPILLAR?

Find your local trail at:

Scan the QR code to download the trail quiz, find trail locations and other Bug Hunt games and activities at doncaster.mumbler.co.uk, or pick up a trail sheet from your local Family Hub.

AMAZING BUG FACT FILE:

Did you know spiders have 8 legs and eight eyes. They use silk to build their webs to catch flies.

AMAZING BUG FACT FILE:

Did you know the bright colours of a ladybird are to warn predators to stay away!

Spring scavenger hunt

How many of these things can you spot today?
