THANK YOU

for deciding to host a Doncaster Mumblers Neighbourhood Explorers Quest. We are passionate about providing fun, safe activities for families in Doncaster and you are helping us to achieve that goal! In this host pack you will find everything you need to set up your Neighbourhood Explorers Quest. Here are some top tips for getting set up:

MARKETING YOUR TRAIL:

1. Let us know you are hosting a trail, email Doncaster@mumblers.co.uk and we will get your trail listed on our dedicated bug hunt page on the Doncaster Mumblers website.
2. Use the Neighbourhood Explorers Quest poster to advertise where you are setting up your trail, use community notice boards and facebook groups to do this. Don't forget to tag in [@doncastermumblers](https://www.facebook.com/doncastermumblers) so we can also share across the Doncaster Mumblers social media channels.

SETTING UP YOUR TRAIL:

1. In this pack you will find everything you need to be a host.
2. Your trail can be set up anytime over the summer holidays to allow families to access it throughout the summer school break.
3. Once you have printed off your clue sheets laminate them to protect them from the weather.
4. Use a hole punch to make holes in your clue sheets, this will enable you to easily tie your clues to tree trunks, lamp posts etc. to secure them in place with string, ribbon etc.
5. Please take care not to damage any trees or wildlife habitats when setting up your trail. Clue sheets should be easily spotted from public paths to discourage heavy footfall over natural areas.
6. There is no set order for the trail clues so you can display them however you like, just try to keep them within a contained area so young children can easily find them all.
7. If possible, check your trail a couple of times throughout the event to ensure it hasn't been damaged or clue sheets lost.
8. Please remember to tidy up and take your trail down at the end of the school holidays.

NEIGHBOURHOOD

Explorers Quest

AHOY THERE MATEY!

Digby the dog is a very forgetful pirate pup. He loves to explore, dig and hide his treasure around Scallywag Island but today he just can't remember where he has buried it.

His friends that live around Scallywag Island are always willing to give him a helping hand, but before they can give him a nudge in the right direction Digby has to complete one of their action challenges!

CAN YOU HELP DIGBY FIND HIS FRIENDS, DO THE ACTION CHALLENGES AND COLLECT THE COMPASS POINT CLUES TO HELP HIM FIND HIS BURIED TREASURE?
