

February Fusion Camps FAQs 2024

Does my child qualify for a free place?

Children who are entitled to benefit-related Free School Meals, receive benefit-related support or can prove financial difficulty can access our camps for free. If you are not sure if your child is entitled please contact us direct at poppy@activefusion.org.uk

My child does not qualify for a free place, can they still attend?

Of course, however, there is a charge of £5.00 a day to help us sustain our camps, cover staffing costs and ensure that camps are accessible for all children.

Why is there not a local camp in my local area?

Many schools we have asked were not able to accommodate our Fusion camps due to building works, staff holidays or general maintenance taking place over the summer months. If you would like more information about why a camp is not being held at a specific venue, please contact hannah@activefusion.org.uk

Will all children receive a free lunch at your Fusion Camps?

No. Unfortunately, funding for February Fusion Camp 2024 does not include a free lunch. Please ensure that you provide your child with a packed lunch, a refillable water bottle and any further snacks or refreshments that they may require.

What can my child expect during Fusion Camps?

A bucket load of activities, every school holiday. With great value sports, creative arts, and games to enjoy each half-term, we have plenty for your children to get stuck into in the school break! A more detailed agenda will be sent out to all booked parents/guardians prior to the camps commencing.

February Fusion Camps FAQs 2024

What does my child need to bring to camp?

Please provide your children with a packed lunch, a refillable water bottle and any further snacks or refreshments that they may require. Please ensure that your child is dressed in clothing suitable for sporting activities.

My child has allergies or other requirements, how do I let Active Fusion know about this?

When completing the booking form, you will be asked to complete a participant form on behalf of your child where you will be prompted to provide details on allergies, dietary requirements, special educational needs and any other requirements unique to them.

Is my child allowed to bring their mobile phone to Fusion Camp?

Your child is allowed to bring their mobile to camp but we ask that they are switched off and put away during camp hours. This not only provides a safe environment for all attendees but also ensures that your child fully benefits from all that Fusion Camp has to offer.

My child arrived late to camp and the door is locked. How do we access the building?

All of our camp venues are secured 15 minutes after the camp start time to provide a secure environment for all participants. If you arrive late to camp and cannot access the building then please contact our office on 01302 637276 who will notify camp leads.

February Fusion Camps FAQs 2024

How can I register my interest in future Fusion Camps?

You can pre-register your interest in April half-term camps [here](#). Once venues and dates are confirmed you'll be notified first via email.

How do I contact Active Fusion throughout the school holidays?

Please email info@activefusion.org.uk as this is monitored each day during our office hours of 8am-5pm.

If you have any further questions or queries, please contact us directly at 01302 637276.
